## THANK YOU

**EACH AND EVERY ONE OF YOU IS A BLESSING. WE CHERISH YOU AND THANK GOD FOR YOU!!**

Thanks for surpassing Matching Monday goals every week, buying a camp t-shirt, and being a 50 @ \$500 partner.

Thanks campers and students who gave generously as you could and to a \$10,000 donor with a similar heart. Thanks to all who gave to meet the \$10K Match which pushed us over the Campaign goal.

Thanks to local churches, youth groups, and Districts who joined together to contribute. Thanks to camp/retreat staff and Cabinet members who were initial givers to the campaign.

Thank parents, campers, and families for donations of registration deposits. Thanks to volunteers and in-kind donors.

## ONWARD

**As we celebrate you and the amazing achievements of 2020, we know 2021 will be another year of significant financial need due to ongoing COVID cancellations and a reduced summer camp season.**

Your ongoing generosity gives us confidence that we have a dedicated community of love and support. Together we will thrive.

**The 2021 Camp Comeback Campaign goal is \$100,000** to assure a vital and healthy camp and retreat ministry. Campers are excited about being together and growing closer to God. More will need scholarships, too! Thanks for making all this possible with us. The 2021 Campaign will launch soon!
