FAMILY COVID-19 COVENANT

One of the core values of Susquehanna Camp and Retreat Ministry focuses on the spiritual, emotional, and physical safety and care of our camp community members. With this value in mind, we are asking families to enter into a covenant with us for this summer. This agreement is your participation in providing the safest space possible for campers as they come to know the love of Jesus. Parents/guardians, we ask that you complete this covenant with your camper, so that they can be part of this community of care. Those families that choose not to follow the summer camp Policies and Procedures should wait until in 2022, or when we are beyond COVID-19 restrictions, to attend summer camp.

Please mark each circle as a sign of understanding and commitment:

- As a family, we agree and covenant to complete the 14 Day Pre-Camp Health Form prior to attending camp, which we understand will ask us to practice safe social procedures when we are interacting with anyone outside of our household.
- As a family, we agree and covenant to check the CDC list of high-risk health factors found on the CDC website. Should our camper fall into any of the "increased risk" categories laid out by the CDC, we agree to consult with a physician regarding summer camp attendance. <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-medical-conditions.html>
- As a family, we agree and covenant to positively prepare our camper for their week(s) of camp by seeing that they understand and commit to follow the special Procedures and Protocols this summer listed at <http://susumcamps.org/crm-covid19> prior to their arrival.
- As a family, we agree and covenant to disclose if anyone in our household has been in contact with a COVID-19 positive individual within two weeks of the start of our registered camp event.
- As a family, we agree and covenant to stay up to date with Camp and Retreat ministries COVID-19 Procedures and Protocols as we prepare for camp. These can be found at <http://susumcamps.org/crm-covid19>.
- As a family, when we register for summer camp, we are agreeing to follow these health Procedures and Protocols for the week(s) of camp the camper is attending.
