SUMMER CAMP IS FOR CHILDREN OF ALL AGES! (these are examples of events)

This summer there are camping programs for adults including canoeing, swimming, hiking, and reflection time with God. At **Mount Asbury** there will be Mom & Me and Dad & Me Camps, Mother/Daughter Camp, Family Camp for the entire family, Spiritual Growth events, and workshops on a variety of different topics. **Wesley Forest** will be hosting a number of new camps. Check out the Wesley Forest Brochure for more details. **Greene Hills** will host a Grandparents Camp where you and your grandchild can build a stronger relationship. **Camp Penn** will host a Praise & Worship Camp for children 4th grade through post high. So give yourself and your family the gift of a trip to camp. It just may be one of the best experiences you will have this summer. For more information on participating in any of these programs, talk with your Church Camping Coordinator or contact the Conference Camping Office, 800-874-8474 or camps@susumc.org.

SPRING AND FALL WORK PROJECTS AT CAMP !

As we prepare for the summer camping season there are many work projects that churches and youth groups could do. Planning a work weekend or day experience can help each site be ready for the Summer's activities. From cleaning, to moving equipment, to repairs on buildings, there is always something that needs doing. In the Fall, repairs will be done on buildings, trails, and in activity areas. The projects need to be accomplished before winter groups come. For more information on these work projects, contact your Church Camping Coordinator or contact the Conference Camping Office, 800-874-8474 or camps@susumc.org.

CAMP NEEDS

Your church can become involved in many exciting work camps in the Susquehanna Conference. Camp Penn, Greene Hills, Mount Asbury, and Wesley Forest have work projects to keep your group or organization busy. Projects include construction, remodeling, trail blazing, and much more. Churches can also help fund these projects through donations marked specifically for a site's project. Contact the Camp & Retreat Ministry Office for more details, 800-874-8474 or camps@susumc.org.
