### **LOW ROPES CHALLENGE COURSE**

While at first glance the configuration of cables, ropes, hanging tires, logs, platforms, and a 12 foot high wall all give the appearance of an obstacle course, the program emphasizes group communication and cooperation skills rather than individual accomplishment.

### **MEALS**

All meals will be prepared and served in Mussina Dining Hall by the food service staff. Guests will set their own tables, serve the food family style, clear and wipe clean their own tables. Dining will be with other groups who have reserved other facilities.

### **PET POLICY**

No pets are permitted in any of the buildings, and must be on a leash at all times. Owners will be held responsible for the behavior of their pets. Wesley Forest staff will not be responsible for cleaning up after your pets.
